

Edinburgh and Lothian
**Prostate Cancer
Support Group**

Patients Supporting Patients

YOU ARE WARMLY INVITED TO OUR NEXT MEMBERS' MEETING
7.00 pm on Thursday 8th February
at the Maggie's Centre, Western General Hospital, Edinburgh

The next meeting of the group will be on **Thursday 8th February**, when we will have several speakers – first of all we are delighted to welcome **Alasdair Innes and Karen Mclean, Clinical Nurse Practitioners from NHS Lothian**. Alasdair and Karen will be well known to many of our members and this is a great chance to find out about new local developments. There will also be an opportunity to ask questions.

We will also hear from **Gareth McAteer (Patient Research and Policy Coordinator with Prostate Scotland)** who will be telling us about some innovative patient-led research shortly to be undertaken, looking at the needs of men and their families affected by prostate cancer.

This is likely to be a busy meeting so please arrive in good time - refreshments are available from **6.45 pm**. As ever, there will be time for discussion, to catch up with friends and colleagues, and to hear about recent developments in prostate cancer and also in your support group. On arrival, please register your attendance in the entrance area.

After our February meeting, future member meeting dates this year are:

- **Thursday 12th April 2018**
- **Thursday 7th June 2018**

Meeting information – and much more - is on our website:
