YOU ARE WARMLY INVITED TO OUR NEXT MEMBERS' MEETING
7.00 pm on Thursday 7th June 2018
Maggie's Centre, Western General Hospital, Edinburgh

Our main speaker will be **Dr Anna Campbell, from Edinburgh Napier University**. Many of us will remember her inspiring presentation at the Murrayfield event in September 2017, and she will be talking about her work around cancer survivorship and exercise. We will also hear from **one of our members** on his experiences of a prostate cancer diagnosis and ensuing treatment. As announced at our last meeting this meeting will also include our **Annual General Meeting** during the evening. Full reports will be given on our activities during the past year, and we have attached the accounts and audit certificate for the year 2017/18.

As ever, this is likely to be a busy meeting so please arrive in good time - refreshments are available from **6.45 pm**. There will be time for discussion, to catch up with friends and colleagues, and to hear about recent developments in prostate cancer and in your support group. On arrival, please register your attendance in the entrance area.

After our June meeting, future members' meeting dates for 2018/19 are:

- **Thursday 6th September 2018**
- **Thursday 8th November 2018**
- **Thursday 14th February 2019**
